

Information we may ask from you....

We normally ask for at least one reference. Ideally this would be from someone who knows you in an official capacity; however we can accept references from other sources. We can discuss this at your informal chat.

Most volunteering opportunities will just entail an informal chat so you can find out more about us and the opportunity you are interested in.

The questions will vary, but typically you may be asked:

- Why do you want to volunteer with Money Skills?
- What sort of role are you interested in?
- How much time can you offer?
- Do you have any particular skills you can offer?
- What new skills would you like to learn through volunteering?

In turn you can ask any questions, and you may have the chance to look at where you will be volunteering and meet some of the other staff and volunteers.

If any of our roles interest you, then please don't hesitate to contact us.

We hope to hear from you soon!
